Hi s 47

As discussed we are doing our best to get the product delivered and we were not able to access the towers today due to police intervention.

We are working with CSG to make delivery arrangements and have been give the below advice

Advice and direction from the SCC is as follows:

- Drivers to take any mail to the Command Post at the foyer of each tower with the below note / letter from the SCC and show it (letter attached):

Attention - Authorised delivery

Australia Post has been authorised to make postal deliveries (mail and parcels including medical supplies) to the Base Command Posts located at each of the Towers under lockdown due to Covid-19.

All deliveries will be received by Command Post staff and distributed by them to residents with adherence to safety protocols.

We will attempt to deliver all items tomorrow and will advise ASAP if this takes place or we are not able to do so again

Regards
